

RACES WILL BEGIN TO-DAY

Everything Ready for a Week of Fine Sport at the Race Track.

Favora Far and Away a Favorite in the 19 Trot—Tip O'Tip and Others Scratched—Bicycle Contests.

The trotting and racing of the July meeting of the Indianapolis Driving Club begin to-day, and under the most favorable of circumstances. There is a large field of horses entered for each event, and in most of them, the most interesting thing is liable to throw the winning to one or the other. There is every indication that the weather will be all that can be desired, and the rivalry that has been fostered by the smart of defeat or the exultation of victory at the meetings at Connersville and Rushville has risen to such an extent between the owners and drivers that every animal will be sent to win if it is in him. There was a large accession to the already large colony of horses stabled at the track Sunday night and yesterday, and there are now no empty stalls at the north of the track.

Yesterday was spent by the drivers and groomers in the preliminaries of the week, to them, work. The "bike" suikes were overhauled and put in shape for the lightening running, every strap of the favorite's harness was made as soft and pliable as possible, the horses themselves were the subject of every attention, and that being done the day was spent in visiting the other stables by the drivers and owners, and in discussing the probable outcome of the contests. Most of the horses were worked out in the morning, and many of them were sent "the mile" under the glare of the afternoon sun.

The strings of Bud Doble, Robert Starr and George Starr did not arrive at the track until last night, their, with that of Augustus Sharp, of Louisville, Ky., being about the only stables which were not on the grounds during the day.

THE BICYCLE EVENTS.

The gates of the grounds will be thrown open at 7 o'clock this morning, and the racing will begin at 10 o'clock. The morning will be devoted to the bicycle events. The first will be the mile novice race, for which there are the following entries: J. O. Donnell, Alex. Greig, Thomas P. Mack, G. L. Green, G. S. Gardner, A. M. Fotta, J. Allison, F. H. Simpson, C. G. Crawford, Charles E. Shaw, T. B. Bartlett, L. S. Hill, S. L. Newsum, Morton Barber, M. J. Mahurin, W. E. Clemens, H. E. Seborn, George R. Turner, W. W. Hammett, R. L. Morris and A. M. Hollingsworth.

Following will be the mile open, in which are the following riders: F. Elmer Hunter, Carl G. Fisher, Otto L. Lowe, L. D. "Birdie" Monger, Frank Waller, Walter C. Marmon, Eugene M. Minor, Arthur E. Lumsden and W. T. Gardner.

Such names as Munger, Marmon, Minor and others mean to those who are posted a hot and closely contested race. It is probable that the winner will be one of them, but it is not certain that he will be the winner. The men have been at work at the track, and if all reports be true they have been making some very fast time. Two of them have been credited with doing a quarter in thirty seconds, which is a two-minute gain. There are not many horses that can step the quarter in that time. The afternoon will be begun by the race between horse and man, which centers at 1:30 o'clock. The contestants will be Pat Murphy, of the Chicago Cycling Club, and John Palmer, of the Chicago Cycling Club, formerly of the Chicago Cycling Club, but now of the Chicago Cycling Club. Murphy is entered in the 2:30 class pacing events, and has a record of 2:15, but it is said that he has been going a mile in training time close to 16, and that he has won more first prizes, excepting Zimmerman, than any other man in the country. He will be given the pole, and a hot race is expected. Pat Murphy received a telegram from him last night from Detroit that he would arrive this morning.

THREE HORSE RACES.

The horse racing events will begin immediately after the last named race. The first event will be the 2:15 trot. There are eleven entries, and it will be a fast field of horses. Favora is the acknowledged superior of them, and the books on the race will be made as though he will not be in it. Ida D., with Bud Doble up behind, Eura, a Walkill Prince mare, and Florida, of the Augustus Sharp stable, are the favorites. Favora, in the order named. All conditions being favorable, Jack Curry will probably send Favora a mile to lower his record of 2:15, and it is expected that he will do it. The last half was done in 1:15. That being the case there ought to be some fast time done by him to-day. Red Cloud, Cash Boy and Cyclone will be posted next. The entries follow:

Tip O'Tip, b. g., Peacock Bud Doble, Terre Haute, Ind.
Pat Deane, b. g., Anderson Wilkes, Breneman Bros., Decatur, Ill.
Richmont, b. s., Richmond, Ben Walker, Indianapolis, Ind.
Fedalma, ch. m., Greyhound, Grasslands farm, Indianapolis, Ind.

Telle Lee, ch. m., Red Pilot, M. C. Campbell, Spring Hill, Tenn.

THE COLD RACE.

The third and last race is the 2:40 trot, and a large field of youngsters are entered in it. Sea Tide is the favorite, but the field has some good horses in it. The following are the entries:

Five Fly, b. g., sire not given, L. D. York, Fortsmouth, O.
George T. s. g., Elyria, C. E. Garfield, Cleveland, O.

Hamazone, ch. s., Hambrino, Charles Zeigler, Indianapolis, Ind.

Florence Sultan, b. m., Sultan, S. W. Bennett, San Antonio, Tex.
Royal Wilson, Wilton, Augustus Sharpe, Louisville, Ky.

REPORTED AS SCRATCHED.

In making their books, last night, the bookmakers had the following horses scratched:

In the 2:15 trot—Billy D., Otto J. and Ida. In the 2:30 pace—Tip O'Tip, Richmond, Chester C. and Jessie Lee.

The foregoing horses not entering will alter the finishes of the races to quite a considerable extent. This and Billy D. would both have been played for place in the first race, and the former stood a chance for the first money. Tip O'Tip was a sure thing for first place in the pace, and he would have carried the talent's money had he started. With him out, Red Cloud will be the favorite, unless he is backed down by Cash Boy or Cyclone. None of the horses scratched for the last race were considered as anything more than possible chances, and their names being gone will make little or no difference in the book.

Transportation facilities to the grounds to-day will be all that can be desired. Two electric lines will run cars at frequent intervals, and the Moon road will run world's record for five minutes, beginning at 12:30. The races will be started promptly at 10 o'clock in the afternoon, and starter will be expected to get the horses away in such good shape that they will be finished in time for all to get to town in time for any entertainment in the evening.

NOTES ON THE MEETING.

Barney, a Barney Wilkes gelding, owned by A. P. Bruce, of Danville, Ky., and entered in the 2:30 pace, was worked out a mile in 2:20 1/2 yesterday.

Centlivre's Cash Boy was jogged a mile in pretty fast time, and he is said to be a dark horse in the 2:30 pace to-day. The pole will be sold by E. R. Lowry, and will be of two kinds. One the regular auction pool and the other the Paris method. Lowry sold the horses at the meeting last fall, and is said to be one of the best men in the business in the country. He is also well known as an auctioneer, and acted in that capacity for the Luckey sales last winter. There will be three booths, and they will be located directly in front of the grand stand between it and the judges' stand.

Frank Walker will act as starting judge, and all of the track officials have not been announced. For the bicycle events the officers will be as follows: Fred Pate, referee; L. J. Keck, starter; H. T. Hearsey and P. E. Swick, clerks of the races; W. E. Pitman, W. E. Hick and Tom J. Ayers, judges, and A. C. Newby, Frank Day and Clark Tuttle timekeepers, and Ed Eads an announcer. The officials who will act as one of the officials at the bicycle events during the week, is from New York, and is an old-time racing man. He holds the world's record for a hundred-mile bicycle race, was the first man to win a race in this country under the auspices of the amateur league.

YESTERDAY'S RACES.

Four Events at Washington Park Won by California Horses in Fast Time.

CHICAGO, July 3.—It was California day at Washington Park, the first four races going to animals bred on the Pacific coast. Galindo's victory in the handicap was very impressive. The weather was clear and cool, the track fast and the attendance seven thousand. Joe Blackburn was the favorite in the handicap at a mile and a quarter. Falero went out and set the pace, closely followed by Versatile, the extreme outsider in the betting. In the stretch Galindo and Joe Blackburn came up from the rear, and the former won rather easily, with Blackburn second and Riley third. The time—2:09 1/2—was very fast, and it was the best time ever made in the last race Oregon Eclipse and Sunshine Whisky were plunged on heavily, but Riley, the fast, but cowardly, three-year-old, in the stretch, spread his legs and won in the lightning fast time of 1:13 1/2 for three-quarters of a mile. Results: First Race—For maiden two-year-olds, purse \$20; four and a half furlongs. King David won; Salvador second, Nutwood third. Time, 1:53 1/2.
